

BananaBonk \$NANABONK

Community-Created Meme Token on
Solana

Launched May 13,
2025

1. INTRODUCTION

BananaBonk is a fully decentralized, community-driven meme token launched anonymously on the Solana blockchain.

Inspired by the viral culture of meme coins, BananaBonk embraces humor, internet culture, and grassroots participation without centralized leadership, pre-sales, or reserved tokens.

2. PROJECT OVERVIEW

- TICKER: NANABONK
- BLOCKCHAIN: SOLANA
- LAUNCH DATE: MAY 13, 2025

- LAUNCH PLATFORMS:
LETSBONK.FUN, RAYDIUM

BananaBonk was deployed directly to the market using decentralized launch tools, with 100% of its supply distributed via decentralized exchanges. No private sales, venture capital backing, or reserved team tokens exist.

3. PHILOSOPHY & COMMUNITY

BananaBonk is a social experiment designed to be a lighthearted digital asset fueled by community creativity and viral engagement. There is no formal team or central authority; instead, all development, marketing, and promotion are conducted by passionate volunteers, meme creators, and fans.

- **The mascot, Dog-Nana, is a Shiba Inu dressed in a banana peel — symbolizing the project's playful and absurdist spirit.**
- **The project's culture revolves around humor, memes, and organic social media momentum on platforms like Twitter (https://x.com/BananaBonk_Inu) and Telegram (<https://t.me/BananaBonk>).**
- **Growth depends entirely on community engagement and viral potential rather than formalized development or utility.**

6. ROADMAP & FUTURE PLANS

BananaBonk does not have a traditional roadmap or product development plans. It is a purely community-driven social token without plans for:

- Financial products
- Staking or yield farming
- On-chain applications or MVPs

The project's future growth relies on:

- Viral meme creation
- Community-driven marketing and social engagement
- Organic expansion within the meme coin ecosystem

7. GOVERNANCE & COMMUNITY STRUCTURE

BananaBonk operates without formal governance or centralized control. All decisions and direction emerge organically from the community, with no formal team or leadership.
